Policy Reminder Nurse Practitioner and Physician Assistant Services, Professional (Effective 04/24/20)

Anthem Blue Cross and Blue Shield continues to allow reimbursement for services provided by nurse practitioner (NP) and physician assistant (PA) providers. Unless provider, state, federal or CMS contracts and/or requirements indicate otherwise, reimbursement is based upon all of the following:

- Service is considered a physician's service
- Service is within the scope of practice
- A payment reduction of 25% reimbursement for Hoosier Healthwise and Hoosier Care Connect, and a payment reduction of 15% for Healthy Indiana Plan

Services furnished by the NP or PA should be submitted with their own NPI.

This article is to inform you that there is now a separate and specific professional reimbursement policy to reference for Nurse Practitioner and Physician Assistant Services.
