Get a car seat or portable crib
for going to your prenatal checkups

New Baby, New Life℠

Your prenatal visits bring rewards
You may already know that seeing your doctor for prenatal visits is one of the most important things you can do for yourself and your growing baby.

But did you know that aside from good health, prenatal checkups may bring you another reward?

We’ll send you a car seat or portable crib just for getting at least seven prenatal checkups — checkups you were going to go to anyway.

It’s our way of saying thank you for taking even more steps to stay healthy.
It's easy!

Place a check beside the steps below as you complete them.

☐ Fill out the Member information section on this flier. Be sure to place a check beside Car seat or Portable crib so we know which one you would like.

☐ Bring this flier with you to your appointment. Have your doctor fill out and sign the Prenatal care information section. Your doctor must also write the dates of each prenatal visit and sign his or her name for each visit.

☐ Have your doctor's office fax the completed form to 1-855-270-9584.

Once we receive the completed form, we'll verify your eligibility and send your car seat or portable crib. Your car seat or portable crib will be delivered to the address you write on the form.*

*You must be an Anthem Blue Cross and Blue Shield Medicaid member at the time of service.

Be sure to place a check beside Car seat or Portable crib in the Member information section.

Member information

Member name: ____________________________________________________________

Member street address: ______________________________________________________
