Modifier 25: Significant, Separately Identifiable Evaluation and Management Service by the Same Physician on the Same Day of the Procedure or Other Service

(Policy 06-003, effective 07/15/2019)

The Modifier 25 reimbursement policy for Anthem Blue Cross and Blue Shield Medicaid (Anthem) provides the criteria for reimbursement for a significant, separately identifiable evaluation and management (E&M) service performed by the same provider on the same day of the original service or procedure. Effective July 15, 2019, Anthem does not allow separate reimbursement for E&Ms performed on the same day as a major surgery (90-day global period). Anthem only allows reimbursement for one E&M service per day by the same provider to the same member.
