Medicaid physician fee schedule: place-of-service codes and pricing

The current Medicaid physician fee schedule has separate columns for facility (inpatient rate) and nonfacility (outpatient rate) pricing. **Effective for dates of service on and after August 1, 2016, Anthem Blue Cross and Blue Shield Medicaid will begin following CMS guidelines for facility and nonfacility payment assignments, based on the place-of-service (POS) code billed.** For example, if a cardiologist bills for services rendered in an outpatient hospital setting (POS code 22), the pricing will be based on the fee listed in the facility column for the applicable code.

If you have any questions, please contact your Provider Relations representative or Provider Services at **1-855-661-2028**.
