**Subject: Important announcement – prenatal ultrasound reimbursement update**

Dear Provider:

This is an update to our prior communication regarding prenatal ultrasound reimbursement sent in November 2014; while the CPT codes for the policy remain the same, we have converted the ICD-9 codes to their corresponding ICD-10 codes, which were effective October 15, 2015.

Attached is an updated list of CPT codes with their associated ICD-10 diagnosis codes, indicating medical necessity. For additional information, please continue to refer to the “Maternal Ultrasound in the Outpatient Setting” clinical guideline (CG-MED-42), which details medical necessity criteria for maternal ultrasound.

We appreciate your commitment to the well-being of our members. Should you need additional assistance, you may visit the provider website at [mediproviders.anthem.com/KY](http://mediproviders.anthem.com/KY) or call Provider Services at **1-855-661-2028**.

Sincerely,

Peter L. Thurman
