Review of December MCO Meeting

State Plan Amendment (SPA) Updates

✓ Attachment 3.1 submitted to CMS on April 5, 2019 with request of effective date for July 1, 2019

✓ Providers will be required to utilize the current edition of *"The American Society of Addiction Medicine (ASAM) Criteria"* for recipients receiving SUD treatment:

- Assessments should utilize a multi-dimensional assessment tool
- Intensive Outpatient Programs and Partial Hospitalization Programs should meet service criteria outlined in the current edition of the "ASAM Criteria"
- Individuals should be assessed and meet the dimensional admission criteria utilizing the "ASAM Criteria" for appropriate level of care residential placement
 - Care coordination requirements outlined
 - Removal of short term and long term length of stay
- Added description for Withdrawal Management (WDM)

State Plan Amendment (SPA) Updates Cont.

- Peer Supports should be identified in a recipient treatment plan, except for Peer Supports engaging recipients into SUD treatment through ED Bridge Clinics
 - Peer Support led groups are limited to a maximum of 8 individuals at a time
 - Peer Support Specialist are permitted a maximum of 120 units of direct recipient contact per week.
- Service Planning extended to cover SUD services
- Adding coverage for methadone as a part of MAT for SUD treatment in a Narcotic Treatment Program (NTP)
- Screening and Brief Intervention that do not meet referral to treatment are subject to coverage
- Added Registered Behavioral Technician (RBT) as an allowable rendering professional

Regulation Changes

BREAK

Self Attestations and Residential Certification

Residential Self Attestations

 **March 6th, 2019**

Self Attestations
were sent to
residential
facilities.

 **March 25th, 2019**

A list of all
“Waived”
Providers was
sent to MCOs.

 **April 1st, 2019**

The temporary
waive of the IMD
exclusion became
effective.

Residential Level of Care Certification

January 1st, 2020

- The “ASAM Criteria” will be applied to Residential Level of Care (LOC). All providers will be required to be certified to the appropriate LOC.

Providers will be required to complete a “maintenance” update in Partner Portal to identify appropriate LOC:

Level 3.1

Level 3.3

Level 3.5

Partner Portal Changes

BHSO (Provider Type 03) Partner Portal Changes

Current BHSOs will be required to complete a "maintenance" update prior to **July 1st, 2019**.

Providers will select appropriate "tiers" applicable to them:

Please select all the Tiers that apply.

Tier Selection

Tier I Mental Health	<input type="checkbox"/>	Tier II Outpatient SUD	<input type="checkbox"/>	Tier III Residential SUD	<input type="checkbox"/>
-------------------------	--------------------------	---------------------------	--------------------------	-----------------------------	--------------------------

• Are you current accredited by a nationally recognized accreditation organization?
Yes No

Providers have the capability to select multiple tiers

NTP Tier II Portal Changes

HF Modifier Required for **ALL** Claims in TIER II and TIER III

Provider Master File Changes

Contract Code, along with Effective and End Dates, will be added to the Provider Master file to enable MCOs to identify the provider’s “tier” enrollment.

The Provider Master File is distributed to MCOs on a daily basis. This file includes:

- Active and recently end-dated providers
- Contents include Provider Name, Address, Medicaid ID, Tax ID, NPI (up to 30), Taxonomy (up to 50), etc.

The tier can be identified as indicated below:

Contract Code	Tier	Description
BHSO	I	Behavioral Health – Mental Health Only
NTP	II	Behavioral Health Outpatient Services with NTP
NONTP	II	Behavioral Health Outpatient Services Non-NTP
BHSO3	III	Behavioral Health Residential Services

Provider Master File Changes

1

The Contract Code will be a five character field.

2

Up to 10 contracts may be submitted per provider.

3

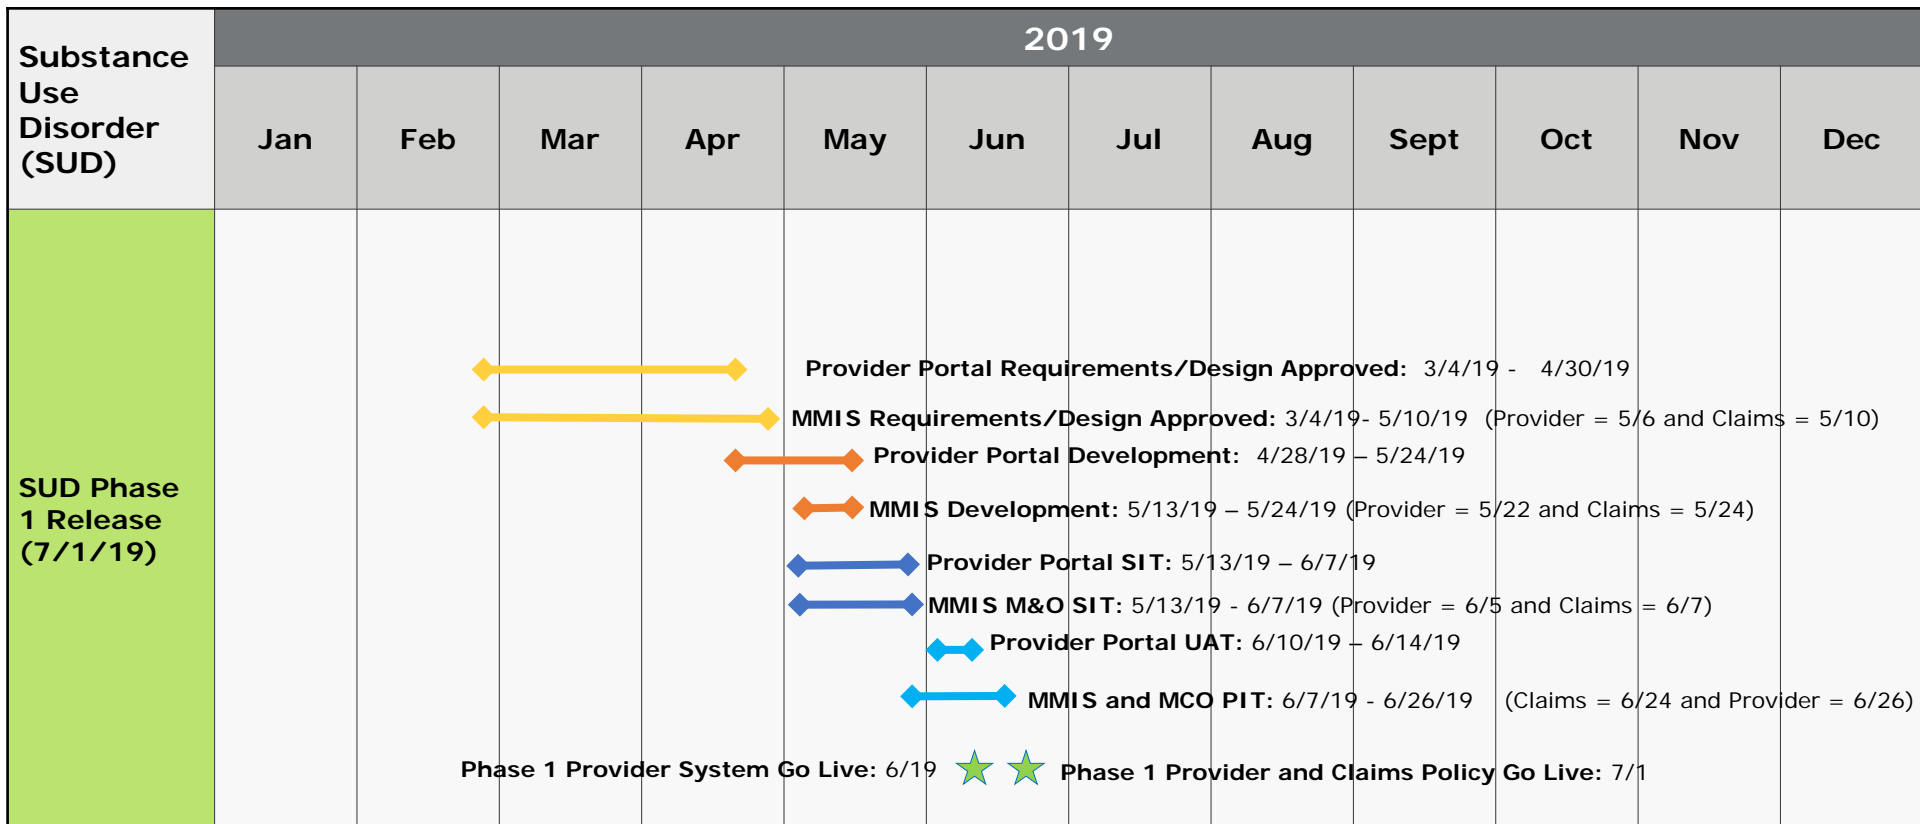

The contract code will be added to the end of the Provider Master File.

The Provider Master File:

Field Name	Character Type	Start Position	End Position	Length	Description
TAXONOMY47	Char	2742	2751	10	Provider's taxonomy code 47.
TAXONOMY47 EFFECTIVE DATE	Char	2752	2759	8	Provider's taxonomy effective date 47.
TAXONOMY47 END DATE	Char	2760	2767	8	Provider's taxonomy end date 47.
TAXONOMY48	Char	2768	2777	10	Provider's taxonomy code 48.
TAXONOMY48 EFFECTIVE DATE	Char	2778	2785	8	Provider's taxonomy effective date 48.
TAXONOMY48 END DATE	Char	2786	2793	8	Provider's taxonomy end date 48.
TAXONOMY49	Char	2794	2803	10	Provider's taxonomy code 49.
TAXONOMY49 EFFECTIVE DATE	Char	2804	2811	8	Provider's taxonomy effective date 49.
TAXONOMY49 END DATE	Char	2812	2819	8	Provider's taxonomy end date 49.
TAXONOMY50	Char	2820	2829	10	Provider's taxonomy code 50.
TAXONOMY50 EFFECTIVE DATE	Char	2830	2837	8	Provider's taxonomy effective date 50.
TAXONOMY50 END DATE	Char	2838	2845	8	Provider's taxonomy end date 50.
FILLER	Char	2846	2895	50	For future expansion. Field filled with all spaces.
NEWLINE	Char	2896	2896	1	Newline character = 0x0a
