

## ***Behavioral Health Areas of Expertise Profile: Individual Physician and Allied Health Professionals***

This *Behavioral Health Areas of Expertise Profile* is designed to capture informational data only. While not all services listed are covered benefits in your state, having complete information on what our providers offer will be valuable should changes occur. Neither the provider application/credentialing nor your provider contract will be impacted or changed by information provided in this profile. Any changes or amendments to a provider contract or credentialing must be requested through your local Provider Relations department.

Provider identification
