

		<b>Reimbursement Policy</b>
<b>Subject: Reimbursement of Sanctioned and Opt-Out Providers</b>		
Effective Date: <b>12/09/12</b>	Committee Approval Obtained: <b>10/03/16</b>	Section: <b>Administration</b>
<p>*****The most current version of our reimbursement policies can be found on our provider website. If you are using a printed version of this policy, please verify the information by going to <a href="https://mediproviders.anthem.com/nv">https://mediproviders.anthem.com/nv</a>.*****</p> <p>These policies serve as a guide to assist you in accurate claim submissions and to outline the basis for reimbursement by Anthem Blue Cross and Blue Shield Healthcare Solutions (Anthem). The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT codes, HCPCS codes and/or revenue codes. The codes denote the services and/or procedures performed. The billed code(s) are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to both participating and nonparticipating providers and facilities.</p> <p>If appropriate coding/billing guidelines or current reimbursement policies are not followed, Anthem may:</p> <ul style="list-style-type: none"> <li>• Reject or deny the claim.</li> <li>• Recover and/or recoup claim payment.</li> </ul> <p>Anthem reimbursement policies are developed based on nationally accepted industry standards and coding principles. These policies may be superseded by mandates in provider, state, federal or CMS contracts and/or requirements. System logic or setup may prevent the loading of policies into the claims platforms in the same manner as described; however, Anthem strives to minimize these variations.</p> <p>Anthem reserves the right to review and revise our policies periodically when necessary. When there is an update, we will publish the most current policy to this site.</p>		
<b>Policy</b>	<p>Anthem does not allow reimbursement to providers who are excluded or debarred from participation in state and federal health care programs. Anthem also does not allow reimbursement to providers who have rendered services to members enrolled in any Medicare program if such provider has opted out from participation in Medicare. Services that are rendered by such a provider that is sanctioned or has opted out of participation in Medicare may only be reimbursed in urgent or emergent situations. Claims received for services other than emergency services submitted by sanctioned or opt-out providers as provided herein will be denied.</p>
