

Attachment 1 Disclosure of Ownership and Control Interest statement

By federal law, the U.S. Department of Health and Human Services' Office of Inspector General (HHS-OIG) can exclude individuals and entities from participating in federal health care programs – including Medicaid and Medicare. If the HHS-OIG excludes a health care provider under a federal health care program, the U.S. Department of Health and Human Services' Centers for Medicare & Medicaid Services (CMS) policy also prohibits the reimbursement of any items or services furnished, ordered or prescribed by that provider.

The federal regulation set forth in 42 CFR 455.106 requires providers who are entering into or renewing a provider agreement to disclose the identity of any excluded individuals/entities with ownership or control interest in the provider of 5% or greater. This disclosure of information is required by the U.S. Department of Health and Human Services, the Commonwealth of Virginia Department of Medical Assistance Services (DMAS) and managed care organizations that contract with DMAS such as HealthKeepers, Inc. (HMO). **Please see the Attachment 1 definitions for further explanation of an ownership interest, managing employee and direct and indirect ownership.**

Federal regulation 42 CFR 455.105 requires contracting providers to disclose information within 35 days of a request by CMS, DMAS or HMO on:

1. The ownership of any subcontractor with whom the provider has had business transactions totaling more than twenty five thousand dollars (\$25,000) during the 12-month period ending on the date of the request; and
2. Any significant business transactions between the provider and any wholly owned supplier, or between the provider and any subcontractor, during the five-year period ending on the date of the request.

As part of the HMO's obligation to verify the credentials of all providers within its network(s), the HMO requires that all contracted providers fully complete and submit this form prior to providing services to members as part of the HMO's network.

Instructions

Please follow these instructions to adhere to federal regulations:

1. Review the HHS-OIG list for excluded individuals at oig.hhs.gov/fraud/exclusions.asp and determine if any individuals who meet the criteria for ownership or control interest are on the exclusion list. If anyone with an ownership or control interest is on the excluded list, you must notify us immediately.
2. Please return this completed form with the supplemental materials to your Network Manager.
3. Tips for accurately completing a Disclosure of Ownership (DOO) form:
 - If any section(s) of the DOO do not pertain to a provider, those section(s) should be marked "N/A" or checked "no." No sections of the form may be left blank.
 - Practice Information¹ and Section I must always be completed.
 - If you are a disclosing entity, Section VI must be completed.
 - Should a change in ownership occur subsequent to submission of the DOO, the disclosing entity must update all relevant information within 35 days.
