

## Clinical Criteria web posting Q1 2019

On February 22, 2019, and March 14, 2019, the Pharmacy and Therapeutic (P&T) Committee approved the following *Clinical Criteria* applicable to the HealthKeepers, Inc. medical drug benefit for Anthem HealthKeepers Plus members. These policies were developed, revised or reviewed to support clinical coding edits.

Visit [Clinical Criteria](#) to search for specific policies. For questions or additional information, use this [email](#).

Please see the explanation/definition for each category of *Clinical Criteria* below:

- **New:** newly published criteria
- **Revised:** addition or removal of medical necessity requirements, new document number
- **Annual review:** minor wording and formatting updates, new document number
- Updates marked with an asterisk (\*) notate that the criteria may be perceived as more restrictive

Please share this notice with other members of your practice and office staff.

**Please note: The *Clinical Criteria* listed below applies only to the medical drug benefits contained within the member's medical policy. This does not apply to pharmacy services.**
