

Revision to evaluation and management services — over-coded services postponed

HealthKeepers, Inc. previously communicated that as of October 27, 2019, we would assess selected claims for evaluation and management (E&M) services provided to Anthem HealthKeepers Plus members using an automated analytic solution to ensure payments are aligned with national industry coding standards. The target effective date has been delayed.

HealthKeepers, Inc. will send out a follow-up article to inform providers of the revised effective date and any additional details for the changes made. The update that was posted here entitled *Evaluation and management services — over-coded services* has been removed.

If you have any questions about this communication, call Provider Services at **1-800-901-0020** or Anthem CCC Plus Provider Services at **1-855-323-4687**.
