### **Policy Update** **Early and Periodic Screening, Diagnostic and Treatment (EPSDT)** *(Effective 05/01/20)*

Currently, HealthKeepers, Inc. includes Early and Periodic Screening, Diagnosis and Treatment (EPSDT) component services in the reimbursement of Anthem HealthKeepers Plus preventive medicine evaluation and management (E&M) visits unless they are appended with Modifier 25 to indicate a significant, separately identifiable E&M service by the same physician on the same date of service.

However, effective May 1, 2020, the following EPSDT component services will be separately reimbursable from preventive medicine E&M visits:

- Hearing screening with or without the use of an audiometer or other electronic device
- Vision screening
