

Formulary change notice regarding medroxyprogesterone injective

The changes listed in the table below, effective August 20, 2019, apply to all Anthem HealthKeepers Plus and Anthem HealthKeepers Plus, Commonwealth Coordinated Care Plus (Anthem CCC Plus) members.

Effective for all members on August 20, 2019		
Therapeutic class	Medication	Formulary status correction
Injectable contraceptives	Medroxyprogesterone 150 mg/ml	Preferred with no prior authorization (PA)

What action do I need to take?

None, unless you want to communicate to your impacted members that they can return to the pharmacy and obtain the medication which may have been previously rejected. Letters have been sent to impacted members.

What if I need assistance?

We recognize the unique aspects of patients' cases. If your patient cannot be converted to a formulary alternative, call our Pharmacy department at one of the Provider Services numbers listed below and follow the prompts for pharmacy PA.

You can find the *Preferred Drug List* (formulary) on our website at <https://mediproviders.anthem.com/va> > Pharmacy > Medicaid Common Core Formulary > Common Core Preferred Drug List.

If you have any questions about this communication, call Provider Services at **1-800-901-0020** or Anthem CCC Plus Provider Services at **1-855-323-4687**.
