

Prior authorization requirements for Sublocade

Effective February 1, 2019, prior authorization (PA) requirements will change for the infusible/injectable drug Sublocade to be covered by HealthKeepers, Inc. for Anthem HealthKeepers Plus members. Federal and state law, as well as state contract language and Centers for Medicare & Medicaid Services guidelines, including definitions and specific contract provisions/exclusions, take precedence over these PA rules and must be considered first when determining coverage. **Noncompliance with new requirements may result in denied claims.**

PA requirements will be added to the following:

- Sublocade (Buprenorphine) — implant (J0570)
- Sublocade — injectable (Q9991, Q9992)

To request PA, you may use one of the following methods:

- **Web:** <https://www.availity.com>
- **Fax:** 1-800-964-3627
- **Phone:** 1-800-901-0020

Not all PA requirements are listed here. PA requirements are available to contracted providers through the Availity Portal (<https://www.availity.com>). Providers who are unable to access Availity may call us at **1-800-901-0020** for PA requirements.
