**Does the member currently have any services in place to assist with daily living skills, social skills, socialization, medication management, and money management? (Ex: Assisted living or group home staff, Psychosocial Rehabilitation, payee services, supportive friends or family). Please list any current services being provided to this member as described above:**

**If services are in place for this member, please clarify how additional Mental Health Skill-Building Services are necessary and will not duplicate the services member is currently receiving:**

### SECTION III: TRAUMA-INFORMED CARE

**Trauma-Informed Care** (Many individuals have experienced potentially traumatic events in their lifetime. It is important that everyone is aware of the potential impact of trauma on those they serve, prepare to recognize and offer trauma-specific services when needed, and be mindful of trauma-informed interventions.)

**Is there evidence to suggest this member has experienced trauma?**

Yes  No

**What is your plan to assess/refer and address the current and potential effects of that trauma?**

### SECTION IV: INDIVIDUAL TREATMENT GOALS

**Treatment Goals/Progress:**

- Describe person-centered, recovery-oriented, trauma-informed mental health treatment goals as they relate to requested treatment. Include individual strengths/barriers/gaps in service, and written in own words of individual seeking treatment/or in a manner that is understood by individual seeking treatment. If individual has identified a history of trauma, please include trauma-informed care interventions or referral in the treatment plan.
- Services are intended to include goal directed training/interventions that will enable individuals to learn the skills necessary to achieve or maintain stability in the least restrictive environment. Providers should demonstrate efforts to assist the individual in progressing toward goals to achieve their maximum potential.
- Please demonstrate that the individual is benefiting from the service as evidenced by objective progress toward goals or modifications and updates that are being made to the treatment plan to address areas with lack of progress.

**Resources and Strengths:** Document individual's strengths, preferences, extracurricular/community/social activities and people the individual identifies as supports.

**Please describe any barriers to treatment:**
