

## Behavioral Health: Authorization requirement changes

As part of the Anthem Blue Cross and Blue Shield goal of being easy to do business with we have recently updated our Precertification Lookup Tool (PLUTO) to more accurately reflect the current behavioral health authorization process. As a result of this update, effective **November 1, 2015**, the codes listed below have been updated in PLUTO to show that authorization is required for psychological and neuropsychological testing for both medical and behavioral health purposes.

Procedure Code	Service Description
96101	Psychological Testing
96102	Psychological Testing by Technician
96103	Psychological Testing by Computer
96118	Neuropsychological Testing
96119	Neuropsychological Testing by Technician
96120	Neuropsychological Testing by Computer
