Subject: Important announcement – prenatal ultrasound reimbursement update

Dear Provider:

This is an update to our prior communication regarding prenatal ultrasound reimbursement sent in June 2014; while the CPT codes for the policy remain the same, we have converted the ICD-9 codes to their corresponding ICD-10 codes, which were effective October 15, 2015.

Attached is an updated list of CPT codes with their associated ICD-10 diagnosis codes, indicating medical necessity. For additional information please continue to refer to the “Maternal Ultrasound in the Outpatient Setting” clinical guideline (CG-MED-42), which details medical necessity criteria for maternal ultrasound.

We appreciate your commitment to the well-being of our members. Should you need additional assistance, you may visit the provider website at <https://mediproviders.anthem.com/wi> or call Provider Services at **1-855-558-1443**.

Sincerely,

Dr. Anthony Otters
Medical Director
