Prenatal ultrasound reimbursement update

This is an update to our prior communication regarding prenatal ultrasound reimbursement sent in June 2014; while the CPT codes for the policy remain the same, we have updated the policy with ICD-10 codes, which became effective May 1, 2018.

Attached is an updated list of CPT codes with their associated ICD-10 diagnosis codes, indicating medical necessity. For additional information, please continue to refer to the clinical guideline *Maternal Ultrasound in the Outpatient Setting* (CG-MED-42), which details medical necessity criteria for maternal ultrasounds.

We appreciate your commitment to the well-being of our members. Should you need additional assistance, you may visit the provider website at <https://mediproviders.anthem.com/wi> or call Provider Services at **1-855-558-1443**.
